Promotion to Pulses and Oil Seeds Production

4892. SHRI GHULAM NABI AZAD: Will the Minister of AGRICULTURE be pleased to state:

(a) whether there is any need to promote production of pulses and oil seeds for sustained food security of the country;

(b) if so, whether sufficient resources have been devoted towards pulses and oilseeds so as to meet balanced nutritional needs; and

(c) if so, the details thereof?

THE MINISTER OF STATE IN THE MINISTRY OF AGRICULTURE (SHRI SBPBK SATYANARAYANA RAO): (a) Yes, Sir. There is need to promote production of pulses and oilseeds for sustained food security of the country.

(b) and (c) For increasing the production of pulses and oilseeds in the country, two centrally sponsored schemes i.e. National Pulses Development Project (NPDP) and Oilseeds Production Programme (OPP) are under implementation in 27 States/UTs and 25 States respectively. The Government of India have allocated Central Share of Rs. 35.00 crores and Rs. 92.00 crores for NPDP and OPP Schemes respectively for the implementation of these schemes during 2000-2001. The Schemes envisage financial assistance to the states for production and distribution of certified seeds, Seed minikits, rhyzobium culture, micro-nutrients, sprinkler sets, improved farm implements, plant protection equipment etc. Besides, field demonstrations and farmers trainings are also being organised for the effective transfer of improved production technology. The Government of India announces each season the Minimum Support Prices (MSPs) for pulses and oilseeds. The NAFED being the Central nodal agency undertake market support operations in pulses and oilseeds if the prices falls below MSP fixed by the Government.
